

“Festival of Christmas Trees”

Holy Cross Church, Newton Ferrers

Friday 17th – Sunday 19th December 2010, 10am – 5pm

This year, we will be supporting this colourful, spirited and seasonal event with a tree of our own, aptly adorned by the local staff with an ‘estate agency’ theme to complement the usual Christmas decorations.

For your information, this festival includes a Eucharist service in the Church at 11am on the Sunday and a Carol Service in the evening. It provides 3 days of musical interludes and a quiz for visiting children, as well as the spectacle of the stunning Christmas trees, beautifully decorated by local businesses, groups and individuals.

All profits and donations go to Shelterbox with a demonstration box on show to announce the excellent work of this charity.
